

Adolescents Health Ki Pathshala

AIM

BRIDGING GAPS IN The KNOWLEDGE of Adolescents Health

Message from Secretary General of DGF

"We're proud to launch Adolescent Health ki Pathshala, a platform dedicated to addressing adolescent health issues."

Dr. Sharda Jain

Secretary General of DGF

Chairman's Message

"Our monthly webinars on the 14th of every month provide valuable insights and discussions on adolescent health topics."

Co-Chairman's Note: "The recordings shared on our YouTube channel serve as a public awareness tool for gynaecologists, teen girls, and their parents."

"Delhi Gynaecologist Forum's Adolescent Health Ambassadors group is committed to empowering adolescents with knowledge and support."

Dr. Raka Guleria

Chairman's
DGF Adolescent Health

- 1. "Our initiative aims to bridge the gap in adolescent health education and provide resources for young minds."**
- 2. "We believe that educated adolescents make informed decisions about their health and well-being."**
- 3. "Our webinars feature expert discussions, sharing experiences, and best practices in adolescent health."**
- 4. "The YouTube channel recordings are a valuable resource for those seeking knowledge on adolescent health issues."**
- 5. "We're dedicated to creating a supportive community for adolescents, parents, and healthcare professionals."**
- 6. "Together, we can make a difference in the lives of adolescents and shape a healthier future."**

Dr. Pancham Preet Kaur

Co-Chairman's
DGF Adolescent Health
